Race riots and pacifist practices indicate that America is to have some internal turmoil while the war with Germany is in progress. We do not wish to take the place in history that Turkey has held and become the "Sick Man of the West."

As in other states, there will be some disorder, sedition and traitorous outbursts in Maryland, all of which must be suppress ed by the power and awe of arms. Thus it is vital that Maryland have a Home Guard that will be able to cope with any disturbance that may arise.

Men between the ages of 18 and 35 are wanted, but the State County will proceed to draft men above the latter age if there are not Queen Anne's County will sufficient volunteers.
